

# TEOTE ("The Ends of the Earth")

Dear TEOTE supporter/s,

After 8 long months on the road, it's been good to be back to my home in Paihia. Once again, I would like to use the opportunity and personally thank everyone who has hosted me on my travels and those who attended any of my home-group style meetings. A special thanks goes to John & Tui Wickham of Waihou Bay, who hosted me for 3.5 weeks in September, while I was working on the 2013 HIT directory, preparing it to go to print... Needing space for my work, I was given the down-stairs floor. I was provided with a phone-line with unlimited calls to other land-lines in New Zealand, wireless Internet, meals, fantastic views, and also great fellowship during meal times... *Please pray for John & Tui who have retired into the isolated community of Waihou Bay for the Gospel's sake, and for the selfless work they do there and for openness and acceptance of the Gospel at this remote part of the North Island's East Coast.*

I have spent a total of one year on the road in the last 18 months. I have met so many of you over this time, and I hope that in some way I was able to be a blessing to you... During that time the HIT network grew from 284 hosts to 501 all throughout NZ! Considering that about 50 people have, (due to change of circumstances) stopped hosting during this time, the actual number of hosts has doubled in the last 2 seasons! No doubt, there's a great satisfaction in seeing the fruit of your own labor... NZ is now "covered" with hosts, and the time has come, I believe, to start a new mission field... I am ready (and very excited!) to move on to the next phase >>> AUSTRALIA!!!

**HIT in Australia:** As mentioned in my August newsletter, the plan, God's willing, is to go in January 2013 to Australia in order to establish the HIT network there... Un-like New Zealand, Australia is *huge!* Even if I'll speak at different places every night, it would still take me years to cover the whole country! There are so many different ways in approaching Australia... *Please pray for clear guidance from the Lord in regard to this, and also for the Lord to go before me leading the way, and for open doors (and hearts!) wherever they may be in Australia.* Also, Israeli backpackers that I've met recently have commented to me that since many Israelis visiting Australia have worked there illegally in the past, the local authorities are making it really hard for them to get a Tourist Visa... *Please pray for the Australian Authorities to show favor to the people of Israel so that they, themselves will find favor in the sight of the Lord, and for no complications concerning my own Visa Application...* One last thing concerning Australia - if you have any contacts there whom you think may be able and interested to help with *any aspect* of setting up the HIT network there, it would be great if you could email me their names and contact details...

**KAM:** Please find attached KAM's latest newsletter. KAM is one of 3 Jewish missions that I support and promote wherever I travel. As the teaching ministry of Dr. Arnold Fruchtenbaum and Jacob Damkani's "Trumpet of Salvation" have already their own local representatives, KAM is the ministry I would like to encourage you to support. A great way to support KAM ministry is by purchasing their English titles (a list of those with their respective prices can be emailed to you at your request) especially for those serious students of the Word of God who want to get into the "meat" stuff. Here is an email that I received lately concerning KAM books: *"Hi Omri, Thank you for the (books') list. So much to choose from! The specific topics I'm looking for are really seeing the Messiah fulfilling the scriptures, especially from a Jewish perspective; the purpose of Israel, especially in relation to the church; the church's connection with Israel, and how we, and all things, are summed up in Christ. I've learned so much from Adolf Saphir in the Epistle to the Hebrews. The exciting thing is that it is not just information, but revelation by the Spirit. Our western commentaries are nothing like this! I'm looking forward to centring my meditation on the Messiah of Israel, and the revelation God is opening up to me, it's very exciting!"* (Justin, Christchurch, 27-28.10.12)

**Share your stories with us:** I'm sure that you were all greatly encouraged as you read in the last TEOTE newsletter (August 2012) various stories from hosts about their experiences with their Israeli visitors. Please continue to write to us such great stories and testimonies so that we can share those here with all TEOTE supporters... I have no specific stories to share with you this time but some general comments from hosts about hosting: Bill & Rachel (Auckland) who's been hosting with us for the last 12 years and due to health reasons can no longer do so, wrote to me (16.6.12): *"We have been greatly blessed by playing a small part in the hosting program and may it continue to be blessed of the Lord for years to come."* Ray & Robyn (Taupo) wrote (17.07.12): *"Hello Omri... We have had a great time hosting your countrymen over the past ten years and have made some great friends..."* Rhonda, Mosgiel, who joined as a host last year wrote (30.7.12): *"...we love them (the Israelis) coming... they become part of our family when here and we keep in touch with lots of them when they leave - we are so blessed having them here!"* - If you are in a position to host Israelis and not yet listed in the HIT directory, I'd like to urge you, please, do not rob yourself from this great blessing! You can play a part in what the Lord Himself is doing with His people Israel, here at the ends of the earth... Come and join our hosting network today!

I also started a page for TEOTE ministry (username: [www.facebook.com/teote.ministry](http://www.facebook.com/teote.ministry)) - where I'm promoting the things I believe in such as; Jewish evangelism; creation; pro-life; supporting the state of Israel and the Jewish people; defending Biblical truth, etc). Please visit the TEOTE page, give us a "Like" and help us in promoting these issues by either "Liking" our posts, "Commenting" on them or "Sharing" them on your own timeline...

**Giora Jaakobovich:** On a personal note, my beloved father is currently in an isolated hospital room (and will remain there until the end of November) after going through a bone marrow transplant. It would take several weeks for the transplanted marrow to engraft, for blood counts to return to safe levels, and for side effects to disappear. Patience is essential, as recovery can be accompanied with lots of ups and downs. While quite tired at times, my father is *always* in good spirit, laughing and making jokes (mainly about himself)... This is something that I truly admire about my father - his ability to remain optimistic, his sense of humour and his love for life... People from the Kibbutz that I have talked to, have all commented to me how *inspirational* my father's attitude is... O, how I wish that people would say that about my attitude!!! *Please pray for my father's quick and full recovery; for no complication to occur; for the Lord to use this situation to draw my father (and other members of my family and of Kibbutz Ramat HaShofet) closer to Himself; and for His will to be done.*

Thank you all for your on-going prayer and support.  
Together for the salvation of Israel,
